

Gestá ruky

Jednoducho si materiál farebne vytlačíte
a dáte na viditeľné miesto do triedy.

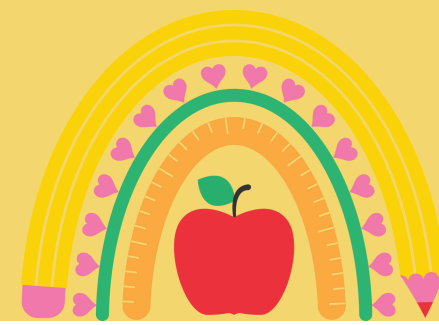

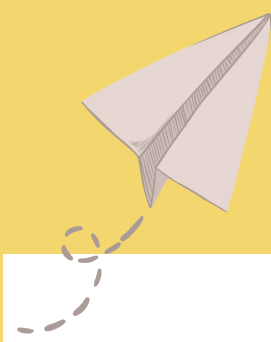

Žiakov naučíte gestá používať a vyhnete
sa tak narušovaniu vyučovania a diskusií a
zároveň získate prehľad o tom, čo si žiaci
myslia, potrebujú alebo chcú.

Autor: Mgr. Jana Príbelská

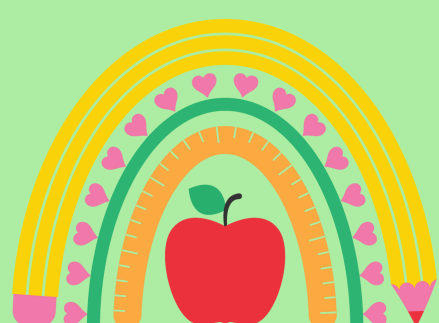

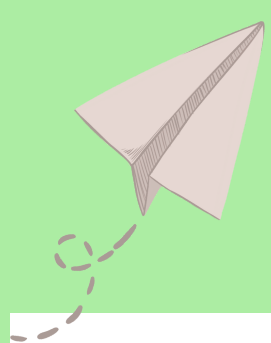

Ďakujem, že ste si stiahli môj materiál, môj ďalší
materiál nájdete aj na uciteliaučitelom.sk
